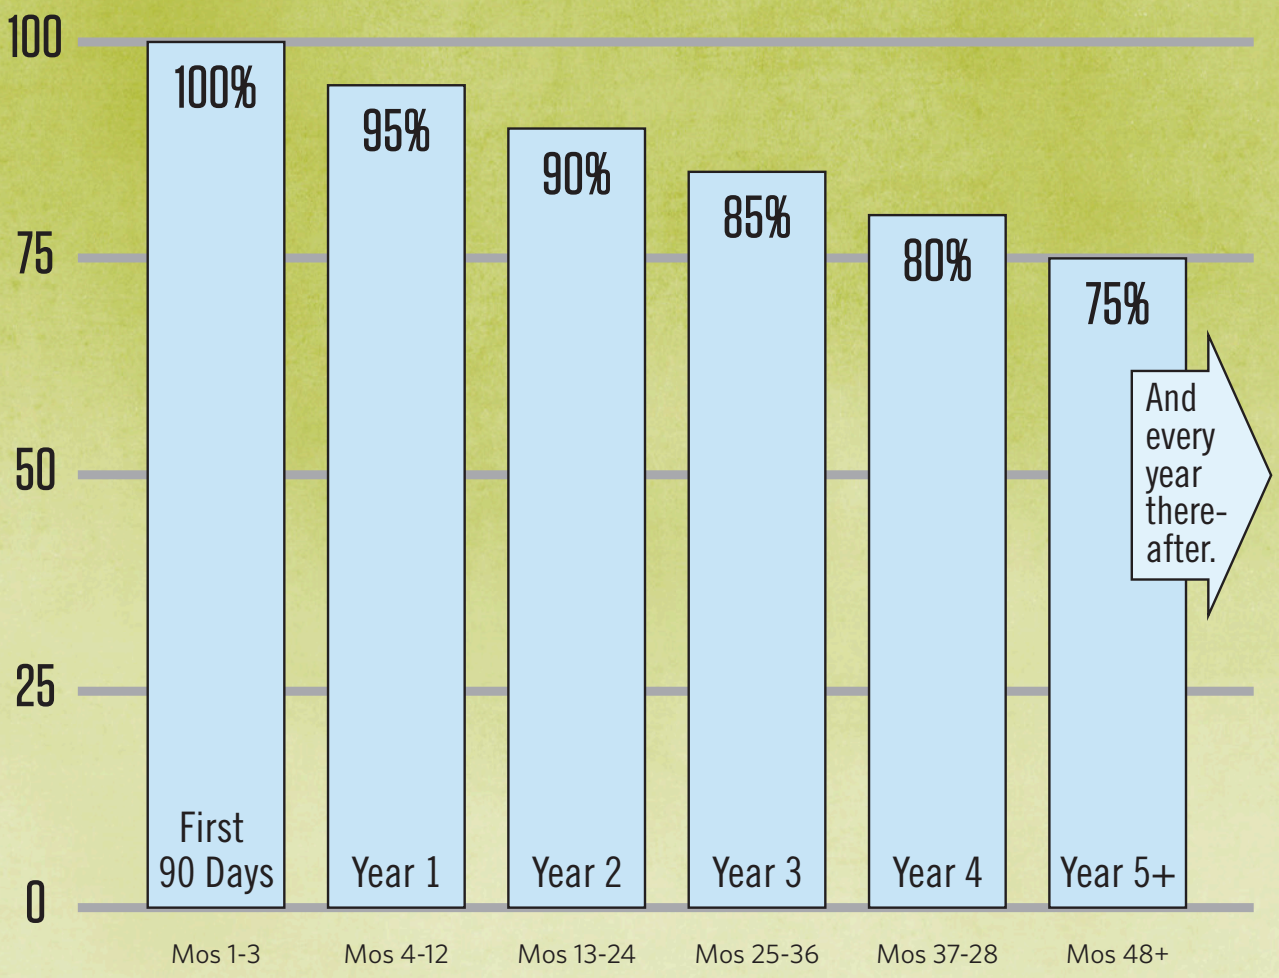
Repayable Entrance Fee

The entrance fee at Stoneridge Creek is largely repayable, up to 100%, **and never less than 75%.**

Repayment Timeline



After residents leave Stoneridge Creek, they (or their estate) are repaid the majority of their entrance fee. The amount repaid is determined by the length of time the resident has lived at Stoneridge Creek (less any refurbishment costs). Please refer to Section 12.5 of the Residence and Care Agreement for detailed information.
