

YOU'RE INVITED

Lassos with Love

ANNUAL FUNDRAISER

SEPTEMBER 7, 2025

2:00-4:30 PM

FIVE STAR EQUESTRIAN
PLEASANTON, CA

YOU'RE INVITED

Connected Horse is excited to announce its third annual fundraising event, *Lassos with Love*—an inspiring, fun-filled afternoon supporting the Connected Horse mission of providing no-cost equine-guided workshops and programs for people living with dementia and their families.

Join us for this amazing opportunity to dust off your boots, meet our horses, enjoy delicious food, and bid on some fabulous gifts and adventures—all while supporting an important cause.

EVENT HIGHLIGHTS

Meet and greet with the horses and watch performances from Kansas Carradine with Dude, one of the incredible horses from *Cavalria*, as well as the Five Star horses and riders. Marvel at the majestic, gentle, and graceful horses that are at the core of our workshops and the stars of the evening.

We are honored to welcome Carla Preyer, a Connected Horse participant featured in the powerful documentary *Facing the Wind*, as a guest presenter. Her voice brings compassion, strength, and authenticity to the conversation around dementia care—and her presence reminds us why community, connection, and support matter more than ever.

Look forward to fantastic raffle prizes, along with silent and live auctions featuring an impressive wine wall, a wood-fired pizza truck party for 20 at your location of choice, exclusive getaways, and unique experiences.

TICKETS

Tickets are available online and sales directly support our mission of providing no-cost workshops and programming for those impacted by dementia.

If you are unable to attend yourself, you can help make our fundraiser accessible to those who benefit from our programs by sponsoring a ticket. Give participants the opportunity to attend and be part of this special event.

It's more than a fun afternoon, it's supporting a great cause.

Purchase your tickets today!

\$150 per person
